At 10:50 administration from Cradlerock Elementary made Ms. Moore and I aware of a potential mold problem. We inspected the site with our night chief and took pictures of the space that had previously been hidden with furniture. Our day chief, Yolanda West, explained that as she was cleaning the floors in kitchen office space Friday 8/18/17, she noticed the wall. She emailed Jeff Klink upon seeing this and he came to inspect today, Tuesday 8/23/17.
